

Pollution in the beach

CHARACTERS:

- **Family: Emily (mother), Harry (father), Sunny (baby), Coco (dog)**
- **Sebastian (Neighbour)**

SETTING:

A house near the beach

STORY:

One day a family went to their new house. The house was near the beach. They had got a rich neighbour whose name was Sebastian, he was an ecologist. The family was very polluting.

One day Sebastian discovered that the family threw the rubbish to the beach. Sebastian was very angry.

Two weeks later Emily, Harry, Coco and Sunny had the toilet out of order and used the beach instead. Sebastian decided to teach them something. He threw his rubbish to the house of his neighbours.

Harry went to see Sebastian and asked him what was happening. Sebastian told him what he thought of them.

They spoke all the day and reached an agreement, never to do crazy things again.

MORAL:

Don't do anything you wouldn't like to be done.
